Opportunity for team photo on site	X	X	X

Panel Build Sponsor (\$25,000)	Golden Hammer Sponsor (\$75,000)
Panel build sponsors participate in an on-site panel build at your company location. 20-50 employees/volunteers participate in a team building activity and help build the wall panels of the house. This is a 4 hour event with great publicity!	Golden hammer sponsors are the most prized supporters of Habitat. Their benefits combine the Gold level and the Panel Build level. They also receive co-branding for that house (i.e. that house is called the <i>Company Name</i> Build).
